TEEA GOANS & DAN TYMINSKI/Made For Loving You

Writer: Curly Putman/Sonny Throckmorton; Producer: Terry Choate; Publisher: Sony-ATV Tree/Sony-ATV Cross Keys, BMI/ASCAP; Crosswind (track) (www.teeagoans.com)

—The songwriter credits on Teea's new CD *The Way I Remember It*, read like a who's-who of classic country tunesmiths—Hank Cochran, Red Lane, Bill Anderson, Willie Nelson, Merle Haggard and even Ernest Tubb are represented. She sings with direct, true phrasing throughout. And on this slow duet shuffle with Dan Tyminski she's a piercing arrow of emotion above his perfect vocal harmony.
